

Authors whose citations to others have been mined in BITRA as of December 2014

- As of this date, BITRA comprised 60,331 entries and had 5,700 citing sources (essays mined for their citations).
- Over 76,000 citations and reviews had been collected and attributed to the cited essays.
- The numbers in brackets indicate how many works from the same author(s) have been mined.
- Should you want to know precisely which publications from any of these authors have been mined, you only need to access BITRA and search with the following syntax:
CITID= OK AUTHOR= The name you are interested in

Aal, Hosny A. Wahab A.
Aaltonen, Sirkku (7)
Aarab, Abderrahim
Abad Merino, Mercedes
Abdallah, Kristiina & Kaisa Koskinen
